2. Delivery of Services.

2.1 Aladtec Services. Subject to the terms and conditions of this Agreement and the Privacy Policy, TCP grants to Client, its Affiliates and their Designated Users a limited, non-transferable (except in compliance with Section 22), nonexclusive right and subscription license to access and use the Aladtec Services during the Term only for the internal business purposes of processing, storing and maintaining Client Data. TCP shall provide to Client the Aladtec Services during the Term in accordance with the terms and conditions of this Agreement, the Privacy Policy, and any additional terms outlined in an Order Form or Hardware Support and Maintenance Agreement, as applicable.

2.2 Client Responsibilities. Client’s use of the Aladtec Services is subject to the terms of this Agreement, the Privacy Policy and any additional terms outlined in an Order Form.

2.2.1 Access. Client is responsible for maintaining the confidentiality of Client’s account and password and for restricting access to its computer systems, and Client agrees to accept responsibility for all activities that occur under Client’s account or password, including but not limited to any acts or omissions by Designated Users. Client shall inform each Designated User of the terms and conditions governing such Designated User’s use of the Aladtec Services as set forth herein and shall cause each Designated User to comply with such terms and conditions.

2.2.2 Restrictions on Use. Client acknowledges and agrees that Client will not use the Aladtec Services for the benefit of any third party. Client agrees not to, not to attempt to, nor allow any third party to: (i) use the Aladtec Services in any manner that could damage, disable, overburden, or impair TCP’s servers or networks or interfere with any other party’s use and

enjoyment of the Aladtec Services; (ii) attempt to gain unauthorized access to any services, user accounts, computer systems, or networks through hacking, password mining, or any other means; (iii) copy, distribute, rent, lease, lend, sublicense or transfer the Aladtec Services, make the Aladtec Services available to any third party or use the Aladtec Services on a service bureau or time sharing basis, (iv) decompile, reverse engineer, or disassemble the Aladtec Services or otherwise attempt to reconstruct or discover any source code, underlying ideas, algorithms, file formats or programming interfaces of the Aladtec Services, (v) create derivative works based on the Aladtec Services; (vi) modify, remove, or obscure any copyright, trademark, patent or other notices or legends that appear on the Aladtec Services or during the use and operation thereof; (vii) publicly disseminate performance information or analysis (including benchmarks) relating to the Aladtec Services; or (viii) use the Aladtec Services in a manner which violates or infringes any laws, rules, regulations, third party intellectual property rights, or third party privacy rights. Client may not use any automated means, including agents, robots, scripts, or spiders, to access or manage the Aladtec Services, except solely to the extent as may be specifically enabled and authorized by TCP in writing. TCP may take any legal and technical measures to prevent the violation of this provision and to enforce this Agreement.

2.3 Third Party Services.

2.3.1 Client may require the Aladtec Services to interoperate with platforms or other online services operated by third parties ("Third-Party Platforms") pursuant to an agreement between TCP and the operators of such Third-Party Platforms, an agreement between Client and the operators of such Third-Party Platforms, or through application programming interfaces ("APIs") or other means of interoperability which are generally made available by such operators.

2.3.2 As applicable, Client hereby grants TCP the limited right to access such Third-Party Platforms with Client's credentials and on behalf of the Client in connection with the performance of the Aladtec Services. Client acknowledges and agrees that TCP's agreements with the operators of such Third-Party Platforms and the terms governing the use of APIs may be modified, suspended or terminated at any time, and TCP shall have no liability with respect to any such modification, suspension or termination. Client is responsible for ensuring that its use of the Aladtec Services in connection with any Third-Party Platform, and TCP's access to such Third-Party Platforms on Client's behalf, complies with all agreements and terms applicable to such Third-Party Platform.

2.4 Client Data.

2.4.1 General. Client hereby grants TCP a worldwide, royalty-free, non-exclusive, limited license to use, host, copy, transmit, display, modify and create derivative works of Client Data for the express purpose of providing the Aladtec Services. Client acknowledges and agrees that it will determine the means and purposes of processing Client Data, and that TCP acts solely as a service provider that processes Client Data on behalf of and at the direction of Client for the sole purpose of performing the Aladtec Services under this Agreement. Client is responsible for ensuring that all Designated Users who provide instructions to TCP on Client's behalf are authorized to do so. Client shall have sole responsibility for the accuracy, quality, content, legality and use of Client Data and the means by which any Personal Data is obtained from Designated Users and Employees and transferred to TCP, and Client is solely responsible for any transfer of Personal Data to any third party data controller or data processor (e.g., human resources or payroll application), and TCP shall have no liability in connection therewith. Client agrees to implement data protection-related procedures that will not be less protective than those imposed on TCP by this Agreement and the Privacy Policy.

2.4.2 Restrictions on TCP's Processing of Client Data. TCP is expressly prohibited from processing any Client Data for any purpose other than for the specific purpose of performing the Aladtec Services, unless requested by Client or required by applicable law. TCP is expressly prohibited from selling Personal Data under any circumstances and for any purpose. No other

collection, use, disclosure or transfer (except to Subprocessors in accordance with Section 2.4.3) of Client Data is permitted without the express prior written instruction of Client. TCP acknowledges and agrees that it understands and will comply with each of the restrictions and obligations set forth in this Section 2.4.2.

2.4.3 Subprocessors. TCP has appointed Subprocessors for the purpose of providing data hosting and security services. Client acknowledges and agrees that Subprocessors may process Client Data in accordance with the terms of this Agreement, the Privacy Policy and any Order Form. TCP's agreements with its Subprocessors impose data protection-related processing terms on such Subprocessors that are not less protective than the terms imposed on TCP in this Agreement and the Privacy Policy. The Privacy Policy contains an overview of the categories of Subprocessors involved in the performance of the relevant Aladtec Services. The appointment of a Subprocessor to perform part or all of the Aladtec Services hereunder shall not relieve TCP of any liability under this Agreement.

3. **Data Security.**

3.1 Security Standards.

3.1.1 TCP shall implement reasonable security procedures consistent with industry standards to protect Client Data from unauthorized access, including without limitation (i) industry-standard encryption of data at rest within TCP's data centers; (ii) web application firewalls; (iii) virus detection and anti-virus software; (iv) authentication techniques, such as user names and passwords, or authorization formats, which limit access to particular TCP personnel; and (v) additional security controls consistent with SOC reporting standards.

3.1.2 The Parties shall implement administrative, technical and physical security procedures consistent with industry standards and applicable data protection laws to protect Client Data from unauthorized access, including by adopting access policies that prevent the internal sharing or inadvertent communication of login credentials.

3.1.3 Client is responsible for reviewing the information made available by TCP relating to data security and making an independent determination as to whether the Aladtec Services meet Client's requirements and obligations under applicable data protection laws. Client acknowledges that data security measures taken by TCP are subject to technical progress and development and TCP may update or modify such security measures from time to time, provided that such updates and modifications do not result in the degradation of the overall security of the Aladtec Services.

3.2 Security Breach Notifications. TCP will promptly report to Client any unauthorized access to Client Data within TCP's or its Subprocessors' systems upon discovery and in accordance with applicable data breach notification laws. TCP will use diligent efforts to promptly remedy any breach of security that permitted such unauthorized access. TCP's notification of or response to any security incident under this Section 3.2 shall not be construed as an acknowledgment by TCP of any fault or liability with respect to such security incident.

3.3 Data Backup and Retention. TCP shall undertake commercially reasonable efforts to backup Client Data with a restore point objective of twenty-four (24) hours. Client Data shall be backed up and retained in accordance with TCP's retention policy as set forth in the Privacy Policy.

4. **Data Privacy**. TCP will process Employee Personal Data in accordance with the terms of this Agreement, the Privacy Policy and all applicable data protection laws. Client must maintain its own data collection, disclosure, retention, and storage policies in compliance with applicable law.

4.1 Biometric Data. To the extent that Client collects, captures, stores, or otherwise uses Biometric Data relating to an individual, Client must (i) first inform the individual from whom Biometric Data will be collected, in writing and prior to collecting his or her Biometric Data, that Biometric Data is being collected, stored, and/or used; (ii) indicate, in writing, the specific purpose(s) (which may not be other than employment-related purposes) and length of time for which Biometric Data is being collected, stored, and/or used; and (iii) receive a written release from the individual (or his or her legally authorized representative) authorizing the Client, TCP, TCP's third-party service providers (who are subject to restrictions no less restrictive than those imposed on TCP herein) to collect, store, and/or use the Biometric Data and authorizing the Client to disclose such Biometric Data to TCP and TCP's third-party service providers.

4.2 Requests. Client agrees to adopt a commercially reasonable policy for managing data requests from Designated Users and Employees, which policy shall safeguard the rights of such data subjects and respect the original purpose of such data collection. Client, as the Party which determines the means and purposes for processing Client Data, shall be responsible for receiving, investigating, documenting, and responding to all Designated User and Employee requests for inspection or erasure of Personal Data.

4.3 Assistance. If Client receives a request from a Designated User or Employee to exercise such individual's rights under applicable data protection laws, and Client requires TCP's assistance to respond to such request in accordance with applicable data protection laws, TCP shall assist the Client by providing any necessary information and documentation that is under TCP's control. TCP shall be given reasonable time to assist the Client with such requests in accordance with applicable law.

4.4 Client's Privacy Policy. Where required by law, Client agrees to adopt a privacy policy in alignment with this Agreement and all applicable laws governing the collection, use, transfer and retention of Personal Data. Client agrees to provide TCP, upon reasonable request, Client's adopted privacy policy.

5. **Confidential Information.**

5.1 Each Party (the "Receiving Party") acknowledges that it will have access to certain confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's business, plans, customers, software, technology and products, other information held in confidence by the Disclosing Party, and Personal Data. In addition, a Disclosing Party's confidential information will include (i) all information in tangible or intangible form that is marked or designated as confidential or that, under the circumstances of its disclosure, should be considered confidential, and (ii) the TCP Technology and related algorithms, logic, design, specifications, and coding methodology, and to the extent permitted by law, the terms and conditions of this Agreement, but not its existence (all of the foregoing being referred to as "Confidential Information").

5.2 The Receiving Party agrees that it will not use in any way, for its own account or the account of any third party, except as expressly permitted by, or required to achieve the purposes of, this Agreement, nor disclose to any third party (except as required by law or to that party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's Confidential Information, and will take reasonable precautions to protect the confidentiality of such Confidential Information in at least the same manner as is necessary to protect its own Confidential Information and in accordance with applicable data protection laws. To the extent that the Receiving Party is permitted to retransmit any Confidential Information it receives from the Disclosing Party, the mode of retransmission must be at least as secure as the mode by which the Disclosing Party transmitted the Confidential Information to the Receiving Party.

5.3 Information will not be deemed Confidential Information hereunder if such information: (i) is known to the Receiving Party prior to receipt from the Disclosing Party, whether

directly or indirectly, from a source other than one having an obligation of confidentiality to the Disclosing Party; (ii) becomes known (independently of disclosure by the Disclosing Party) to the Receiving Party, whether directly or indirectly, from a source other than one having an obligation of confidentiality to the Disclosing Party; (iii) becomes publicly known or otherwise ceases to be secret or confidential, except through a breach of this Agreement by the Receiving Party; or (iv) is independently developed by the Receiving Party without use of or reference to the Confidential Information.

6. **Cooperation With Authorities.** If either Party is requested to disclose all or any part of any Confidential Information under a subpoena or inquiry issued by a court of competent jurisdiction or by a judicial or administrative agency or legislative body or committee, the Receiving Party shall (i) immediately notify the Disclosing Party of the existence, terms and circumstances surrounding such request; (ii) consult with the Disclosing Party on the advisability of taking legally available steps to resist or narrow such request and cooperate with the Disclosing Party on any such steps it considers advisable; and (iii) if disclosure of the Confidential Information is required or deemed advisable, exercise its best efforts to obtain an order, stipulation or other reasonably acceptable assurance that the Confidential Information or part thereof required to be disclosed shall retain its confidentiality and remain otherwise subject to this Agreement. Although TCP will not systematically monitor the Client Data, TCP reserves the right, upon prior written notice to Client, to remove access to Client Data to comply with applicable law, provided, however, that access to such Client Data will be restored upon a mutual determination of the Parties that such Client Data is in compliance with, or has been modified to be in compliance with, applicable law.

7. **Supplemental Services; Master Agreement.**

7.1 TCP may provide to Client supplemental services in accordance with a Statement of Work or a separate services agreement.

7.2 Client may elect to purchase additional products and services via Order Forms from time to time. The Parties agree that this Agreement is a master agreement such that additional transactions will be governed by the terms and conditions hereof. Pricing for additional transactions shall be in accordance with TCP's then-current pricing schedule. Client agrees that, absent TCP's express written acceptance thereof indicated by execution by an officer of TCP, the terms and conditions contained in any purchase order or other document issued by Client to TCP for the purchase of additional services, shall not be binding on TCP to the extent that such terms and conditions are additional to or inconsistent with those contained in this Agreement.

8. **Use Fees.**

8.1 In consideration for the performance of the Aladtec Services, Client shall pay TCP the Use Fees. During the Term, Client will be billed in advance an amount equal to charges as indicated in the applicable invoice or Order Form. All other charges for Aladtec Services received and expenses incurred during a month will be billed at the end of the month in which the Aladtec Services were provided. Payment by Client for all Use Fees is due upon receipt of each TCP invoice, and in no event shall such payment be received by TCP later than thirty (30) days after the invoice, except in cases where a Net Terms Agreement has been authorized by TCP.

8.2 Aladtec Services charges will be equal to the number of total Active Users multiplied by the Monthly User Fee which is based on the aggregated Permissions for each Active User. Client is responsible for Monthly User Fees for the maximum number of Active Users who are made active during any calendar month. Client may add additional Employees or Permissions as desired each month, by paying the Monthly User Fees on the next billing cycle. Client agrees to promptly update the status in the Aladtec Services for any Active User who has been terminated or deactivated.

8.3 Employees added at any time during a calendar month will be charged in full for that billing period. Because Client is billed in advance for Aladtec Services, if Client increases its Active User count or increases Permissions during a calendar month, Client will receive an invoice reflecting the increased Active User count with overage charges incurred from the previous month.

8.4 Except as set for in Section 8.5 of this Agreement, subsequent to first anniversary of this Agreement, TCP may increase the Use Fees at any time effective thirty (30) days after providing notice to Client; provided, however, that any such increase will not occur more than once in a consecutive twelve (12) month period.

8.5 Client may prepay greater than one (1) year of Aladtec Services, and in doing so suspend any increase in Use Fees until expiration of the Initial Term. Subsequent to the Initial Term, TCP may increase the Use Fees at any time effective thirty (30) days after providing notice to Client; provided, however, that any such increase will not occur more than once in a consecutive twelve (12) month period.

9. **Taxes.** As applicable, Client shall, in addition to the other amounts payable under this Agreement, pay all sales, use, value added or other taxes, whether federal, state or local, however named, arising out of the transactions contemplated by this Agreement, except that Client shall not be liable for taxes based on TCP's aggregate income.

10. **Term; Guaranteed Payment.** This Agreement commences on the Effective Date and, unless terminated earlier in accordance with Section 11, will remain in effect for the term specified in the applicable Order Form ("Initial Term"), and then shall automatically renew for subsequent terms consistent with the Initial Term thereafter, unless either Party gives written notice of non-renewal at least thirty (30) days prior to the end of the then current term (the Initial Term and subsequent renewal terms being referred to as the "Term").

11. **Termination for Cause.** A Party may terminate this Agreement for cause if (i) the other Party breaches any material term or condition of this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice of the same, or in the case of failure to pay Use Fees, thirty (30) days; (ii) the other Party becomes the subject of a voluntary petition in bankruptcy or any voluntary proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors; or (iii) the other Party becomes the subject of an involuntary petition in bankruptcy or any involuntary proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors, and such petition or proceeding is not dismissed within sixty (60) days of filing. Notwithstanding the foregoing, if a material breach by Client, by its nature, cannot be cured, TCP may terminate this Agreement immediately.

12. **Effect of Termination.** Without prejudice to any right or remedy of a Party with respect to the other Party's breach hereunder, upon the effective date of any termination of this Agreement:

12.1 TCP's obligation to provide the Aladtec Services shall immediately terminate;

12.2 after such termination and upon Client's reasonable request, no later than thirty (30) days from termination, TCP shall provide Client Data to Client in an export format; and

12.3 within thirty (90) days of such termination, each Party will destroy or return all additional Confidential Information of the other Party in its possession and will not make or retain any copies of such Confidential Information except as required to comply with any applicable legal or accounting record keeping requirement.

13. **Intellectual Property Ownership.** Subject to the limited rights expressly granted hereunder, TCP reserves all right, title and interest in and to the Aladtec Services and TCP Technology, including all intellectual property rights embodied therein, which shall remain the sole

and exclusive property of TCP or its licensors. No rights are granted to Client hereunder other than as expressly set forth herein. This Agreement does not transfer from TCP to Client any ownership interest in the Aladtec Services or TCP Technology, and does not transfer from Client to TCP any ownership interest in Client Data.

14. Client Representations and Warranties.

14.1 Client represents and warrants that (i) it has the legal right to enter into this Agreement and perform its obligations hereunder, and (ii) the performance of Client's obligations and use of the Aladtec Services by Client, its Designated Users and Employees will not violate any applicable laws, including all applicable domestic and international data protection laws, or cause a breach of duty to any third party, including Employees.

14.2 Client represents and warrants that all Personal Data included in the Client Data has been collected from all Employees and Designated Users and will be transferred to TCP in accordance with all applicable data protection laws, to the extent applicable. Client acknowledges and agrees that (i) TCP is a service provider and processes Client Data solely on behalf of and at the direction of Client, and exercises no control whatsoever over the content of the Client Data passing through the Aladtec Services or that is otherwise transferred by Client to TCP, and (ii) it is the sole responsibility of Client to ensure that the Client Data passing through the Aladtec Services or that is otherwise transferred by Client to TCP complies with all applicable laws and regulations, whether now in existence or hereafter enacted and in force.

14.3 Client represents and warrants that its Affiliates' use of the Aladtec Services, if any, shall not relieve Client of any liability under this Agreement, and Client shall be responsible and liable for the acts and omissions of its Affiliates hereunder as if performed or omitted by Client.

14.4 In the event of any breach of any of the foregoing representations or warranties in this Section 14, in addition to any other remedies available at law or in equity, TCP will have the right to suspend immediately any Aladtec Services if deemed reasonably necessary by TCP to prevent any harm to TCP and its business. TCP will provide notice to Client and an opportunity to cure, if practicable, depending on the nature of the breach. Once cured, TCP will promptly restore the Aladtec Services.

15. TCP Representations and Warranties. TCP represents and warrants that (i) it has the legal right to enter into this Agreement and perform its obligations hereunder, and (ii) the performance of its obligations and delivery of the Aladtec Services to Client will not violate any applicable laws or regulations of the United States or cause a breach of any agreements between TCP and any third parties.

16. Mutual Representations and Warranties. Each Party represents and warrants that it has implemented a comprehensive written information security program that includes appropriate administrative, technical and physical safeguards to: (i) ensure the safety and confidentiality of Personal Data; (ii) protect against unauthorized access to and use of Personal Data; (iii) protect against anticipated threats or hazards to the security or integrity of Personal Data, and (iv) comply with applicable data protection laws.

17. Limited Warranty. TCP represents and warrants that the Aladtec Services and related products as described with this Agreement will perform in accordance with all TCP published documentation, contract documents, contractor marketing literature, and any other communications attached to or referenced in this Agreement, and that the Aladtec Services will be free of errors and defects that materially affect the performance of the Aladtec Services ("Limited Warranty"). Client's sole and exclusive remedy for breach of the Limited Warranty shall be the prompt correction of non-conforming Aladtec Services at TCP's expense.

18. **Warranty Disclaimer.** EXCEPT FOR THE EXPRESS LIMITED WARRANTY SET FORTH IN SECTION 17 (LIMITED WARRANTY), THE ALADTEC SERVICES ARE PROVIDED BY TCP ON AN “AS IS” BASIS, AND CLIENT’S USE OF THE ALADTEC SERVICES IS AT CLIENT’S OWN RISK. TCP AND ITS SUPPLIERS DO NOT MAKE, AND HEREBY DISCLAIM, ANY AND ALL OTHER EXPRESS AND/OR IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AGAINST HIDDEN DEFECTS, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. TCP DOES NOT WARRANT THAT THE ALADTEC SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. NOTHING STATED OR IMPLIED BY TCP WHETHER THROUGH THE ALADTEC SERVICES OR OTHERWISE SHOULD BE CONSIDERED LEGAL COUNSEL. TCP HAS NO RESPONSIBILITY TO NOTIFY CLIENT OF ANY CHANGES IN THE LAW THAT MAY AFFECT USE OF THE ALADTEC SERVICES. ANY ORAL STATEMENT OR IMPLICATION BY ANY PERSON CONTRADICTING THE FOREGOING IS UNAUTHORIZED AND SHALL NOT BE BINDING ON TCP. CLIENT ACKNOWLEDGES THAT IN ENTERING INTO THIS AGREEMENT, CLIENT HAS RELIED UPON CLIENT’S OWN EXPERIENCE, SKILL AND JUDGMENT TO EVALUATE THE ALADTEC SERVICES AND THAT CLIENT HAS SATISFIED ITSELF AS TO THE SUITABILITY OF SUCH SERVICES TO MEET CLIENT’S BUSINESS AND LEGAL REQUIREMENTS.

19. **Indemnification.**

19.1 Client hereby acknowledges and agrees that TCP may not be aware of all rights available to Client’s Designated Users or Employees under all data protection regimes. Client, to the extent permitted by law, shall indemnify, defend and hold harmless TCP, its Affiliates, Subprocessors, officers, managers, directors, employees, agents, advisors and other representatives (the “TCP Indemnitees”) from and against any lawsuit, liability, loss, cost or expense (including reasonable attorneys’ fees) actually incurred or suffered by TCP Indemnitees of every kind and nature to the extent caused by or resulting from (i) any breach of a representation or warranty made by Client under this Agreement; or (ii) a third-party claim made against a TCP Indemnitee arising from or related to Client’s failure to comply with any applicable domestic or foreign data protection laws or regulations. Client shall have the right to control any defense provided pursuant to this Section 19.1, provided, however, that Client shall not, without TCP’s prior written consent, (A) enter into any settlement or compromise or consent to the entry of any judgment that does not include the delivery by the claimant or plaintiff to the applicable TCP Indemnitee of a written release from all liability in respect of such third party claim, or (B) enter into any settlement or compromise with respect to any third party claim that may adversely affect the applicable TCP Indemnitee other than as a result of money damages or other monetary payments that are indemnified hereunder.

19.2 TCP will indemnify, defend and hold harmless Client and its Affiliates (the “Client Indemnitees”) from and against any lawsuit, liability, loss, cost or expense actually incurred or suffered by a Client Indemnitee of every kind and nature to the extent caused by or resulting from a third-party claim made against a Client Indemnitee that the TCP Technology infringes on any U.S. intellectual property right of a third party; provided, however, that TCP is notified in writing of such claim promptly after such claim is made upon Client. TCP shall have the right to control any defense provided pursuant to this Section 19.2. In no event shall Client settle any such claim without TCP’s prior written approval. If such a claim is made or if the TCP Technology, in TCP’s opinion, is likely to become subject to such a claim, TCP may, at its option and expense, either (i) procure the right to continue using the TCP Technology or portion thereof, or (ii) replace or modify the TCP Technology or portion thereof so that it becomes non-infringing. If TCP determines that neither alternative is reasonably practicable, TCP may terminate this Agreement with respect to the portion of the TCP Technology infringing or alleged to infringe. TCP shall have no liability or obligation under this Section 19.2 if the claim arises from (i) any alteration or modification to the TCP Technology other than by TCP, (ii) any combination of the TCP Technology with other programs or data not furnished by TCP, or (iii) any use of the TCP Technology prohibited by this Agreement or otherwise outside the scope of use for which the TCP Technology is intended.

20. **Liability Limitation.** Except for claims arising out of Section 19.2 (TCP's Intellectual Property Indemnity) and Section 5 (Confidential Information), in no event shall TCP's aggregate liability, if any, including liability arising out of contract, negligence, strict liability in tort or warranty, or otherwise, exceed the sum of amounts paid by Client to TCP during the twelve (12) months immediately prior to the date of the claim.

21. **Notices.** Any notice or communication required or permitted to be given hereunder may be delivered by hand, deposited with an overnight courier, sent by email (provided delivery is confirmed), or U.S. Mail (registered or certified only), return receipt requested, to the address set forth on the initial page hereof.

22. **Assignment.** This Agreement shall not be assigned by either Party without the prior written consent of the other Party, which shall not be unreasonably withheld; provided, however, that either Party may, without the prior consent of the other, assign all of its rights under this Agreement to (i) such Party's parent company or a subsidiary of such Party, (ii) a purchaser of all or substantially all of such Party's assets related to this Agreement, or (iii) a third party participating in a merger, acquisition, sale of assets or other corporate reorganization in which such Party is participating. This Agreement shall bind and inure to the benefit of the Parties and their respective successors and permitted assigns.

23. **Continuing Obligations.** Those clauses the survival of which is necessary for the interpretation or enforcement of this Agreement shall continue in full force and effect in accordance with their terms notwithstanding the expiration or termination hereof, such clauses to include the following: (i) any and all warranty disclaimers, limitations on or limitations of liability and indemnities granted by either Party herein; (ii) any terms relating to the ownership or protection of intellectual property rights or Confidential Information of either Party, or any remedy for breach thereof; and (iii) the payment of taxes, duties, or any money to either Party hereunder.

24. **Marketing.** During the Term hereof, Client agrees that TCP may publicly refer to Client, orally and in writing, as a customer of TCP. Any other reference to Client by TCP requires the written consent of Client.

25. **Force Majeure.** Except for the obligation to make payments, neither Party will be liable for any failure or delay in its performance under this Agreement due to any cause beyond its reasonable control, including acts of war, terrorism, acts of God, epidemic, earthquake, flood, embargo, riot, sabotage, labor shortage or dispute, governmental act or complete or partial failure of the Internet (not resulting from the actions or inactions of TCP), provided that the delayed Party: (i) gives the other Party prompt notice of such cause, and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance.

26. **Dispute Resolution.** For any dispute, controversy or claims arising out of or relating to this Agreement or the breach, termination, interpretation or invalidity thereof or any Invoice, or Order Form, the Parties shall endeavor for a period of two (2) weeks to resolve the Dispute by negotiation. This period may be extended by mutual agreement of the Parties. In the event the Dispute is not successfully resolved, the Parties agree to submit the Dispute to litigation in a court of competent jurisdiction.

27. **Waiver of Jury Trial.** EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION, PROCEEDING, CAUSE OF ACTION, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING ANY EXHIBITS, SCHEDULES, AND APPENDICES ATTACHED TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY.
